# Agree to Technical Requirements

## Technical requirements

Inlingua Online Learning (iOL) platform has been designed to get the best navigation experience taking advantage of the current internet browsers features.

We highly recommend that you always upgrade to the latest browsers and plugins versions in order to have the best functionality.

For a complete and successful learning experience, your system should meet the following technical requirements:

HTML5 Compatible Browser

Plugins: Adobe Reader

Audio: Sound Card, microphone, speakers or headphones

Resolution: Recommended 1440 x 900+, minimum 1024 x 768

Your browser must have Javascript activated and pop-up blockers disabled.

Windows

(Windows 7, Windows 8.1, Windows 10)

minimum

Memory: 512MB

Browsers: Chrome 57, Mozilla Firefox 53, Microsoft Edge

Recommended

Memory: 1024MB

Browsers: Chrome 65+, Mozilla Firefox 58+

Linux

minimum

Memory: 512MB

Browsers: Chrome 57, Mozilla Firefox 53

Recommended  
Memory: 1024MB  
Browsers: Chrome 65+, Mozilla Firefox 58+

Linux

minimum  
Memory: 512MB  
Browsers: Chrome 57, Mozilla Firefox 53

Recommended  
Memory: 1024MB  
Browsers: Chrome 65+, Mozilla Firefox 58+

Mac

minimum  
Browsers: Safari 9

Recommended  
Operating System: OS X 10, macOS 10  
Browsers: Safari 11

Webex platform

You will need to download the WebEx Meeting Manager. The first time you start or join a meeting, it is automatically downloaded to your computer.
